N. N. GHOSH SANATAN TEACHER TRAINING COLLEGE

Jamuari, Kanke, Ranchi, Jharkhand

EVENT REPORT
Fire Safety Awareness & Live Demonstration

Date	7 October 2026 (Wednesday)
Venue	College campus - front entrance area
Resource persons	Fire safety technicians (guest experts)
Participants	Principal, faculty members, non-teaching staff and students

About the Event

A fire safety demonstration was organised on the college campus on 7 October 2026. The Principal and fire safety technicians exhibited how to handle a fire extinguisher and how to use it correctly in an emergency. The Principal volunteered to take part in the live demonstration, and the technicians guided him through each step while sharing valuable practical tips with the students, faculty and staff gathered around. The session helped participants gain hands-on awareness of emergency preparedness and safe use of firefighting equipment.
